DOCUMENTS OF THE FISHERY RESOURCES AND EXPLOITATION DIVISION OF FAO DEPARTMENT OF FISHERIES

Documents which are not official FAO publications are issued in several series. They are given a restricted distribution and this fact should be indicated if they are cited. Most of them are prepared as working papers for meetings, or are summaries of information for use of member governments, organizations, and specialists concerned.

DOCUMENTS DE LA DIVISION DES RESSOURCES ET DE L'EXPLOITATION DES PÊCHES DU DÉPARTEMENT DES PÊCHES DE LA FAO

Des documents qui ne figurent pas parmi les publications officielles de la FAO sont publiés dans diverses séries. Ils font seulement l'objet d'une distribution restreinte, aussi convient-il de le préciser lorsque ces documents sont cités. Il s'agit le plus souvent de documents de travail préparés pour des réunions, ou de résumés d'information à l'intention des gouvernements des pays membres, ainsi que des organisations et spécialistes intéressés. Ces séries sont les suivantes:

FAO Fisheries Report	FR/R (No.)
FAO Fisheries Circular	FR/C (No.)
FAO Fisheries Synopsis	FR/S (No.)

Special groups of synopses are identified by symbols followed by classification numbers based on indexed code of "Current Bibliography":

SAST	Data concerning certain species and fish stocks.
MAST	Information on methods and subjects.
OT	Oceanographic data.
IT	Limnological data. and
CART	Information concerning fisheries and resources of certain countries and regions (FID/S).

Des catégories spéciales de synopses sont identifiées à l'aide de symboles suivis des chiffres de classification basés sur le code d'indexation de la «Current Bibliography»:

SAST	Données sur certaines espèces et populations de poissons.
MAST	Renseignements sur des méthodes et des sujets.
OT	Données océanographiques.
IT	Données limnologiques. et
CART	Renseignements sur les pêcheries et les ressources de certains pays et régions (FID/S).

DOCUMENTOS DE LA DIRECCION DE RECURSOS PESQUEROS Y EXPLOTA- CION DEL DEPARTAMENTO DE PESCA DE LA FAO

Esta Subdirección publica varias series de documentos que no pueden considerarse como publicaciones oficiales de la FAO. Todos ellos tienen distribución limitada, circunstancia que debe indicarse en el caso de ser citados. La mayoría de los títulos que figuran en dichas series son documentos de trabajo preparados para reuniones o resúmenes de información destinados a los estados miembros, organizaciones y especialistas interesados.

Grupos especiales de sinopsis se distinguen con las siglas siguientes, seguidas por números de clasificación que se basan en las claves de los índices de la «Current Bibliography».

SAST	Datos relativos a ciertas especies y poblaciones.
MAST	Sinopsis sobre métodos y materias.
OT	Sinopsis sobre oceanografía.
IT	Sinopsis sobre limnología. y
CART	Información sobre los recursos acuáticos vivos de algunos países y regiones (FID/S).

FAO Fisheries Technical Paper FR/T(No.)

Special groups of Technical Papers are identified by:

RE	Indexed lists of experts and institutions drawn from Registers maintained by the Fishery Resources and Exploitation Division.
CB	Lists of periodicals, special sections of "Current Bibliography for Aquatic Sciences and Fisheries," special bibliographies and papers concerning documentation problems.
MFS	Provisional editions of "FAO Manuals in Fisheries Science."

Some documents also have another identification, if, for example, they have been contributed to a meeting for which papers have been numbered according to another system.

Des catégories spéciales de documents techniques sont identifiées à l'aide des symboles suivants:

RE	Listes indexées d'experts et institutions tirées des registres tenus à jour par la Division des ressources et de l'exploitation des pêches.
CB	Listes de périodiques, des sections spéciales de la «Current Bibliography for Aquatic Sciences and Fisheries», des bibliographies particulières et des articles sur les problèmes de documentation.
MFS	Editions provisoires des «Manuels FAO de science halieutique».

Il arrive que certains documents portent d'autres numéros d'identification, comme c'est le cas s'ils ont été préparés pour une réunion dont les documents ont été marqués à l'aide d'un autre système.

Grupos especiales de documentos técnicos se identifican por las siglas siguientes:

RE	Listas índices de expertos y de instituciones tomadas de los registros que se llevan en la Dirección de Recursos Pesqueros y Explotación.
CB	Listas de periódicos, secciones especiales de la «Current Bibliography for Aquatic Sciences and Fisheries», bibliografías especiales y trabajos relativos a los problemas de documentación.
MFS	Ediciones provisionales de los «Manuales de la FAO de Ciencias Pesqueras».

Algunos documentos tienen también otra identificación si, por ejemplo, son contribuciones a una reunión cuyos documentos han sido marcados con arreglo a otros sistemas.

PREPARATION AND ARRANGEMENT OF THIS DOCUMENT

This is the third supplement to the first Volume of the "World List of Periodicals for Aquatic Sciences and Fisheries". In it are listed the titles and short forms of periodicals which have come to our attention since Supplement 2 was issued, in November 1964.

The rules for the arrangement and abbreviation of titles are described on Volume 1, pages ii. to vi., Supplement 1, pages ii. to v., and Supplement 2, pages ii. to v.

This third supplement includes periodicals listed in the "Aquatic Biology Serials - Their Location and Characteristics" (Document 18 - 64, August 1964) published by the Biological Sciences Communication Project of the George Washington University.

This list was prepared by Mrs. P. Iacoacci-Barrera of the Biological Data Section of Fishery Resources and Exploitation Division.

PREPARATION ET PRESENTATION DU PRESENT DOCUMENT

Le présent document est le troisième supplément au premier volume du "Répertoire mondial de périodiques concernant les sciences aquatiques et la pêche". On y trouve les titres des périodiques pris en considération depuis la parution du Supplément 2 (novembre 1964) et les abréviations de ces titres.

Les règles suivies pour le classement et l'abréviation des titres sont exposées aux pages ii. à vi. du Volume 1, aux pages ii. à v. du Supplément 1 et aux pages ii. à v. du Supplément 2.

Figurent dans le présent Supplément 3 les périodiques inclus dans "Aquatic Biology Serials - Their Location and Characteristics" (Document 18 - 64, août 1964) publié par le "Biological Sciences Communication Project" de l'Université George Washington.

Ce répertoire a été préparé par Mme. P. Iacoacci-Barrera, de la Section des données biologiques, Division des ressources et de l'exploitation des pêches.

CONTENIDO Y DISPOSICION DE ESTE DOCUMENTO

Este es el tercer suplemento del Volumen 1 de la "Lista Mundial de Publicaciones Periódicas Referente a las Ciencias Acuáticas y a la Pesca". En el se enumeran los títulos, y su forma abreviada, de los periódicos de cuya publicación hemos sido informados desde que apareció el segundo suplemento, en noviembre de 1964.

Las reglas para la disposición y abreviatura de los títulos son las descritas en el Volumen 1, páginas ii. a vi., en el primer suplemento, páginas ii. a v., y en el segundo suplemento, páginas ii. a v.

Este tercer suplemento incluye periódicos elencados en "Aquatic Biology Serials - Their Location and Characteristics" (Documento 18 - 64, agosto 1964) publicado por el proyecto de comunicaciones entre estudiosos de ciencias biológicas (Biological Sciences Communication Project) de la Universidad George Washington.

Esta lista ha sido preparada en la Sección de Datos Biológicos de la Dirección de Recursos Pesqueros y Explotación por la Sra. P. Iacoacci-Barrera.

Distribution:

FAO Fisheries Department
FAO Regional Fisheries Councils
and Commissions
FAO Regional Fisheries Officers
FBCB Mailing List

FAO FISHERIES TECHNICAL PAPERS (CB)

This is one of a group of Technical Papers (see inside front cover) giving information concerning bibliographic and intelligence services for aquatic sciences and fisheries. Further information and extra copies can be obtained from:

Elle fait partie d'un groupe de documents techniques (voir au verso de la page de couverture) donnant des informations sur les services de bibliographie et de renseignements des sciences aquatiques et des pêches. Pour obtenir des renseignements complémentaires et des exemplaires supplémentaires prière de s'adresser à:

Forma parte de un grupo de documentos técnicos (véase la contraportada anterior) con datos sobre los servicios bibliográficos e informativos de las ciencias acuáticas y la pesca. Para obtener mayor información o más ejemplares, dirigirse a:

Biological Data Section
Fishery Resources and Exploitation Division
FAO, Rome, Italy
